Dear friends,

Thank you for your continued support of Market House on the Square, MH Kitchen & Coffee and the Taqueria.

We are thrilled to be back doing what we love. Please know your safety and that of our team is our highest priority and you'll see it in the generously spaced tables, your server's distance, our masks and in the thorough cleaning of tables and chairs between seatings. We are doing our best to continue to provide you with top quality food and beverage from a variety of settings.

We hope that when the time is right you will choose to enjoy dining indoors, there too you will see many fewer tables and open doors and windows while we can.

For your convenience we have partnered with Resy for online reservations, either on our website, on their app or on Resy.com.
